

t-shirt design contest

This is the front of the t-shirt. It looks a bit blank and we need your design skills to dress it up a notch. Show us what the perfect Jones Soda t-shirt looks like.

Open this file in your favorite image editing program. Design your ultimate Jones Soda t-shirt and then save it as a JPG, PDF, or TIF. At our website www.jonessoda.com/contest you will find a page where you can upload your entry in to our t-shirt design contest.

Remember there is a template available for the back of the shirt as well.
