Jones' Turkey & Gravy Soda to be sold online only

SEATTLE POST-INTELLIGENCER STAFF

Seattle-based Jones Soda says its new turkey-and-gravy-flavored drink has created such a big demand that the remaining bottles of a limited production will be sold online only, starting at 9 a.m. Friday at www.jonessodastore.com

The flavor originally was intended only for the Washington and Michigan markets, where it may be found in some stores. However, Jones said demand prompted the nationwide online sale -- \$10.90 for two bottles, including shipping.

Proceeds will be donated to Toys for Tots.
