Tasting notes / Notes de dégustation

A pungent cantaloupe flavour that's like a sippable summer picnic. ☑ Une saveur piquante de cantaloup qui se savoure comme un pique-nique estival.

Bob's nosh / Au menu de Bob

The cantaloupe notes in this pop are surprisingly pure. Take a virtual Italian vacation by serving it with a plate of thinly sliced prosciutto di Parma. ☑ Les notes de cantaloup de ce soda sont étonnamment pures. Faites un voyage virtuel en Italie en le servant avec un plat de fines tranches de jambon de Parme.

Christine's mix / Christine nous sert

For a mellow punch, tame the soda with a few ounces of amber rum and a splash of fresh lime; then garnish with a sprig of sweet woodruff. ☑ Pour un punch velouté, tempérez cette boisson de quelques centilitres de rhum ambré et d'un trait de jus de lime frais, puis garnissez avec un brin de reine des bois. ←
